Dear Mrs Howe, and all teachers, pupils and parents of Rasharkin Primary School.

I would like to thank you for your generous gift of £150 from your Harvest Assembly to support the work of the Madlug Movement. Your gift will go towards pack-away travel bags for young people in care, so they can move with dignity, and know that they are incredible. No child should carry their life in a bin bag.

I hope you have a wonderful Christmas season, and thank you again for all your support.
