Additional Comments:

"Need more occasions where parents get to break down barriers and 'buy into it'."

"I would like to visit the children and watch them take part."

"Great for children to integrate and build community spirit as well as relationships."

"Everyone benefits from a shared society."

Shared Education

"It helps them to mix and make new friends outside their own school."

"As long as my child is benefiting educationally and learning from the experience"

"...it is important that they are respectful and tolerant of all members of the community, understanding of this is crucial and effectiveness depends on the individual of course."

"Nice to know they are meeting new people with new ideas."
